Dear Customers,

You are viewing our new universal parts catalogue. We added hundreds of new parts to our comprehensive selection and cover now sizes from smallest possible automotive size to heavy duty vehicles. The portfolio includes now straight pipes, elbows, curves, connecting parts, flanges, clamps, universal catalysts, mufflers and many more.

We develop our selection continuously and your feedback is very much appreciated. Hope to see you soon.

Fenno DPF refill fluid

- Suitable for all PSA car models
- Comparable with PSA OE numbers:
-9736A1, 9736A0, 973686, 973685, 997995 and 973665

X10010 = Fenno DPF refill fluid 3 x 1 litres + 1 l empty bottle for waste fluid + mouting kit
X10011 = Fenno DPF refill fluid 1 litre
X10012 = Fenno DPF refill fluid mouting kit

Copper grease X10003, 6 x 400 g

- Prevents disc squeal
- Anti-seize compound
- Effective up to 1000 deg C
- Protects against corrosion, oxidation and rust
- Eases assembly and dismantling:
 - brake linkages
 - battery teminals
 - screws, nuts and studs
 - splined shafts

Exhaust jointing paste

- Withstands extreme temperatures
- Provides gas tight connections from manifold to tailpipe
- Lubricates joints during assembly
- Not to be used in joints upstream of catalytic converter
- Asbestos free

X10000, 170 g (min order 12 pcs box)
X10001, 5 x 500 g
X10002, 5 x 500 g + gun

HUOMIOITAVAA YLEISKATALYSAATTOREISTA

Fennon yleiskatalysaattorit on suunniteltu soveltuvan useisiin henkilöautomalleihin. Niiden käyttökohteissa tulee käyttää soveltuvaa lyijytöntä bensiiniä (bensiinikäyttöiset autot) taikka alhaisen rikkitasen dieselpolttoainetta (dieselnäyttöiset autot). Yleiskatalysaattorit eivät ole sertifioituja.

Mikäli vanhassa katalysaattorissa on jälkiä katalysaattorikennon sulamisesta (osittainenkin sulaminen), öljy- tai nokikertymää etupinnassa taikka halkeamia, on ajoneuvon moottorissa vika, joka on korjattava ennen uuden katalysaattorin asentamista. Yleisohjeena on, että auton moottorin sytytyksen ja seossäädön toiminta on tarkastettava aina ennen uuden katalysaattorin asennusta, jolloin voidaan välttyä vaurioittamasta uutta katalysaattoria.

Valmistaja ei vastaa katalysaattorin vaurioitumisesta tai viasta, mikäli ajoneuvon moottorin huolto on laiminlyöty, moottori on säädetty väärin, taikka moottori ei toimi normaalisti mistä tahansa katalysaattorista johtumattomasta syystä.

Takuutapauksissa ainoastaan viallinen katalysaattori hyvitetään. Asennuskustannuksia tai vastaavia ei korvata.

UNIVERSAL CATALYST NOTES

Fenno universal catalysts are designed for most common cars without OBD control. They are designed for unleaded fuel only (gasoline catalysts) and for low Sulphur diesel fuel (diesel catalysts). Universal catalysts are not certified.

If the old catalytic converter shows signs of melting, fouling or cracking, there is a failure in the car engine that must be repaired prior to installing a new converter. Also exhaust mixture adjustment and tuning have to be made before installation in order to prevent the damage of the new converter.

The manufacturer assumes no liability for damage or failure to a catalytic converter due to improperly tuned or maintained engine.

In case of warranty / damage only the catalytic converter will be credited. Claims for mounting costs will not be accepted.

Exhaust mounting tools

TOOLS	exhaust pipe chain cutter
P80201	cutter, 1 pcs
P80202	replacement chain, 1 pcs

Professional quality chain cutter

- labour saving
- gives a straight clean cut
- eliminates the need to cut pipes with torch where access is limited

TOOLS	manifold stud remover set
P80206	stud remover set, 1 pcs

Socket type extractors made of heat treated Chrome Vanadium steel and Chrome plated for corrosion resistance

- suitable for use with 1/2" drive ratchet or spanner
- 6mm, 8mm, 10mm and 12mm sizes
- supplied in steel case

TOOLS	exhaust pipe chain cutter HD
P80203	heavy duty cutter, 1 pcs
P80204	replacement chain, 1 pcs

Professional quality chain cutter

- eliminates the need to cut pipes with torch where access is limited
- suitable for cutting thin-wall tubes up to 2,5 mm thick

TOOLS	individual stud extractors
P80207	8 mm socket type stud extractor, 1 pcs
P80208	10 mm socket type stud extractor, 1 pcs
P80209	cam type type stud extractor, 1 pcs
P80210	1/2" air impact rated stud extractor, 1 pcs

TOOLS	3 piece exhaust expander set
P80200	expander set, 1 pcs

Designed to straighten & expand exhaust pipe ends. Contains 3 expanders:

- small - 29 mm to 44 mm
- medium - 38 mm to 64 mm
- large - 54 mm to 89 mm

TOOLS	"C" clamp fitting tool
P80211	VW C-clips tool, 1 pcs

Assembly tool for VW-Audi 'C' clips

- holds the 'C' clip preventing it from flying off
- safety goggles recommended when using this tool

TOOLS	exhaust flaring cone
P8399	flaring cone, 1 pcs

Used to flare & expand exhaust pipes & tail pipes for snugg fitment

TOOLS	rubber ring fitting tool
P80212	fitting tool, 1 pcs

Enables easy fitting & removal of exhaust rubber rings

TOOLS	stud extractor set
P80205	extractor set, 1 pcs

8 pc stud and screw extractor set

- manufactured from high grade steel
- supplied in handy carry case
- covers popular sizes
- 4mm, 5mm, 6mm, 7mm, 10mm, 13mm, 19mm, 24mm

TOOLS	exhaust removal pliers
P80213	removal pliers, 1 pcs

Enable easy removal of stubborn exhaust mountings

TOOLS	exhaust clamp spreader
P80214	clamp spreader, 1 pcs

Specially designed to remove & fit PSA exhaust clamps in Citroen, Peugeot and Renault cars
